P: 0433 147 689

*Terms and conditions apply

Refer-A-GP Terms and Conditions

1. These Terms & Conditions set out all the criteria on which a referring GP (You) may be entitled to receive a referral fee of up to a maximum of \$10,000 plus GST (Fee) from Trans Ax Health Care Pty Limited (TAHC) for introducing a GP to engage TAHC to provide them with facilities and services (Referred GP).
2. Any referral must be lodged and recorded through Jeevan Muralitharan (jeevan@trans-ax.com.au) and be in accordance with these Terms & Conditions.
3. You will only be eligible to receive payment of any Fee under this program if, within 6 months from the date on which the referral is provided to TAHC via Jeevan Muralitharan, the Referred GP has engaged TAHC to provide them with services and has commenced rendering medical services under a Practice Management Services Agreement.
4. Referred GPs to TAHC under this program must:
 1. be vocationally registered and have a membership with either RACGP or ACRRM;
 2. have not previously engaged TAHC in the last 18 months to provide them with practice management services;
 3. have concluded or are able to conclude their previous engagement (under which they were rendering medical services) without any dispute with the other party and have otherwise been compliant with any obligations and the terms and conditions of that engagement; and
 4. have no AHPRA restrictions, notations or undertakings in connection with their registration.
5. In referring a GP under this program, You warrant that You have not engaged in any unlawful or inappropriate conduct in connection with the recruitment of the Referred GP (including making misrepresentations or engaging in any misleading or deceptive conduct). You acknowledge and agree that, if at any time You breach this warranty with respect to any Referred GP, TAHC will be entitled to repayment of the Fee from You in full.
6. To be eligible to receive payment of any Fee under this program, You must have currently contracted TAHC to provide You with practice management services (including via a Practice Management Services Agreement):
 1. at the date of referral; and
 2. when the Referred GP commences,
7. and have satisfied all other criteria set out in these Terms & Conditions. For the avoidance of doubt, You will not meet these criteria if you are engaged under a locum agreement (or other similar contractor agreement which is not a Practice Management Services Agreement).
8. If TAHC's engagement with the Referred GP is terminated within 9 months of the Referred GP commencing (for any reason), You will be required (and agree) to repay a portion of the Fee with reference to the minimum duration of the Referred GP's engagement within 14 days of the termination date. For example, if the Referred GP has agreed to an engagement of TAHC for a 12 month duration but leaves 6 months after their commencement, You will be required to repay to TAHC 50% of the Fee.
9. Payment of any Fee to You will be based on a pro rata of the agreed practice hours of the commencing GP, with a maximum payment of up to \$10,000 if the Referred GP is obligated to render no less than 38 hours per week over 48 weeks at a TAHC centre.
10. Payment of any Fee to you is subject to your completion and submission of a tax invoice to TAHC.
11. TAHC reserves the right to amend these Terms & Conditions at any time without notice to You.
12. TAHC also reserves the right to vary any amounts payable under this program at any time and any referrals made will be subject to any other terms and conditions applicable at the time the referral has been made.
